2007 STATEWIDE MUNICIPAL SOLID WASTE MANAGEMENT UPDATE

Energy and Environment Cabinet
Division of Waste Management

Executive Summary

BACKGROUND

Solid waste issues became a major focus in the late 1960s when the first solid waste legislation was passed. Kentucky Revised Statute (KRS) Chapter 109 enacted in 1966 gave counties the ability to establish "109 boards" to address solid waste issues. Subsequent legislation furthered the development of county authority and responsibility for penalties for non compliance and development of five-year solid waste plans. The five-year solid waste plans provide for access for all households to garbage collection, cleanup of illegal open dumps and litter, recycling and solid waste education. Annual progress reports are submitted to the Energy and Environment Cabinet (EEC) providing the basis for cabinet recommendations to the governor and the General Assembly.

The Kentucky Recycling and Marketing Assistance (KRMA) program was established in 1998 to assist local governments in development of recycling infrastructures. Cost for development of recycling programs has always been an issue with local governments.

The Kentucky Legislature enacted House Bill (HB) 174 in 2002, establishing the Kentucky Pride Fund with a $1.75 environmental remediation fee paid on each ton of waste disposed in Kentucky landfills. Funding from the fee is used to characterize orphan landfills and remediate illegal open dumps. Local governments may apply for grant funding for 75 percent of the cost of cleaning illegal open dumps. HB 174 further established an annual transfer of $5 million from the Transportation Cabinet for litter abatement activities.

Senate Bill (SB) 50, enacted in 2006, amended HB 174 authorizing a portion of the funding generated through the $1.75 environmental remediation fee to be used for recycling and household hazardous waste grants. The first recycling grants were awarded in June 2007. The cabinet anticipates growth in recycling infrastructures due in large part to the funding authorized by the General Assembly and the support of local governments.

ACHIEVEMENTS

- *Fewer illegal dumpsites identified* –The number of new dumpsites identified has declined 59 percent since 2003. More than 24,000 illegal open dumps have been cleaned since 1993 at a cost of over $60.1 million dollars, an average cost of $2,497 per dumpsite.

- *Litter along public roads decreases* – There has been an 18 percent decline in litter along public roadways since 2005. The Kentucky Pride Fund, Eastern Kentucky PRIDE, Bluegrass PRIDE, Transportation Cabinet, Adopt-A-Highway and cities and counties contributed to the cleanup of 12,396,880 pounds of litter at a cost of $8.8 million during 2007 – more than 520,000 pounds less than in 2005. The average cost per pound of litter picked up increased from 65 cents in 2006 to 71 cents in 2007.

- *Recycling* -- Kentuckians recycled 25 percent of common household recyclables (aluminum, cardboard, steel, plastic, newspaper, glass and paper) in 2007. Kentuckians recycled 30 percent of all municipal solid waste in 2007, which included sludge, concrete, compost and asphalt in addition to the common household recyclables.

- *Curbside collection* -- Participation in curbside garbage collection has remained steady following legislation in 2002 requiring waste haulers and recycling haulers to register and report to each county in which they provide service. The 2007 statewide household participation rate for all collection types is 87.05 percent.

- *Waste Tire Program* -- The Waste Tire Trust Fund was reauthorized in the 2006 General Assembly and will be in effect until July 31, 2010. The recycled tires are beneficially reused for purposes such as tire-derived fuel and crumb rubber for athletic fields and schools and community parks. In 2007, Kentucky recovered more than 1.1 million passenger tire equivalents.

- *Crumb rubber grants awarded* -- In 2007, the Waste Tire Trust Fund awarded 50 grants totaling $1.2 million to assist schools and communities in projects using crumb rubber from waste tires for athletic fields, gyms, parks and community playgrounds.

- *The cabinet continues to make recycling a priority for the state:*

  - The 2006 General Assembly expanded the Kentucky Pride Fund to include recycling infrastructure development and household hazardous waste management/collection programs. Twenty-six entities were the first to receive the new recycling grant in 2007 totaling $2.3 million.
  - The cabinet is working with the Finance and Administration Cabinet to eliminate outsourcing of governmental waste paper for recycling. The Government Recycling Section gives presentations to all EEC new employees on recycling waste paper.
  - The Kentucky Recycling Interest Group (KRIG), in association with the Division of Waste Management, Kentucky Recycling and Marketing Assistance (KRMA) staff and the Kentucky Pollution Prevention Center, actively began facilitating programs to further develop the recycling infrastructure of the state.

- *The Division of Waste Management's state government office paper recycling program thrives* – The government office paper recycling program serves more than 115 building locations in Frankfort collecting office paper, computer paper, newsprint and cardboard. State employees recycled 3,422,645 pounds of waste paper in 2007, approximately 300 pounds per state employee. Confidential document destruction provides a zero cost alternative to state and local governments.

RECOMMENDATIONS

Expand training sessions to all employees within state government on the benefits of recycling governmental waste paper. Recycling waste paper is beneficial to the environment and a savings of taxpayer dollars. Our goal is for Kentucky state government to be No. 1 nationally in paper recycling.

Promote awareness regarding the expense of littering to the commonwealth. Encourage local and state law enforcement to increase enforcement activities for criminal littering.

Increased reporting requirements from transfer stations and convenience centers is needed to ensure adequate tracking for households participating in proper disposal of municipal solid waste, and accountability for waste disposal and environmental fee collection.

2007 STATEWIDE MUNICIPAL SOLID WASTE MANAGEMENT UPDATE
Energy and Environment Cabinet
Division of Waste Management

Municipal Solid Waste Reduction

The cabinet has monitored solid waste disposal since 1993. While HB 174, enacted in 2002, eliminated the 25 percent reduction goal initiated in Senate Bill 2 in 1993, it did establish policies to limit and reduce the amount of solid waste disposed through the reduction in the amount of waste generated. The bill also encouraged recycling, yard waste composting and resource recovery.

In 2007, Kentucky experienced a 3 percent decrease in Kentucky waste disposal in Kentucky landfills and a 25 percent increase in the amount of out-of-state waste disposed in Kentucky landfills. Kentucky exported 6 percent of its waste to out-of-state landfills, an increase from 4 percent in 2006. Kentucky's total waste generation rate for 2007 increased by 5 percent.

Kentucky's recycling rate on common household items (aluminum, cardboard, steel, plastic, newspaper, glass and paper) increased from 27 percent in 2006 to 31 percent in 2007. The average recycling rate in the Southeast Region in 2006 was 22 percent, while the national average was 28.5 percent. (*The national recycling rate for 2007 had not been released at the time of publication*.) The first recycling grants were awarded in June 2007. As these new recycling programs establish themselves, Kentucky's recycling rates should increase and set an example for other states.

The average cost for waste disposed at Kentucky landfills in 2007 was $29.62 per ton. Chart No. 1 illustrates the comparison of tonnages of in-state, out-of-state and the combined total of municipal solid waste received at landfills and the amount in tons of recycled materials in Kentucky, beginning with the base year 1994. Chart No. 2 displays the actual numbers referred to in Chart No. 1.

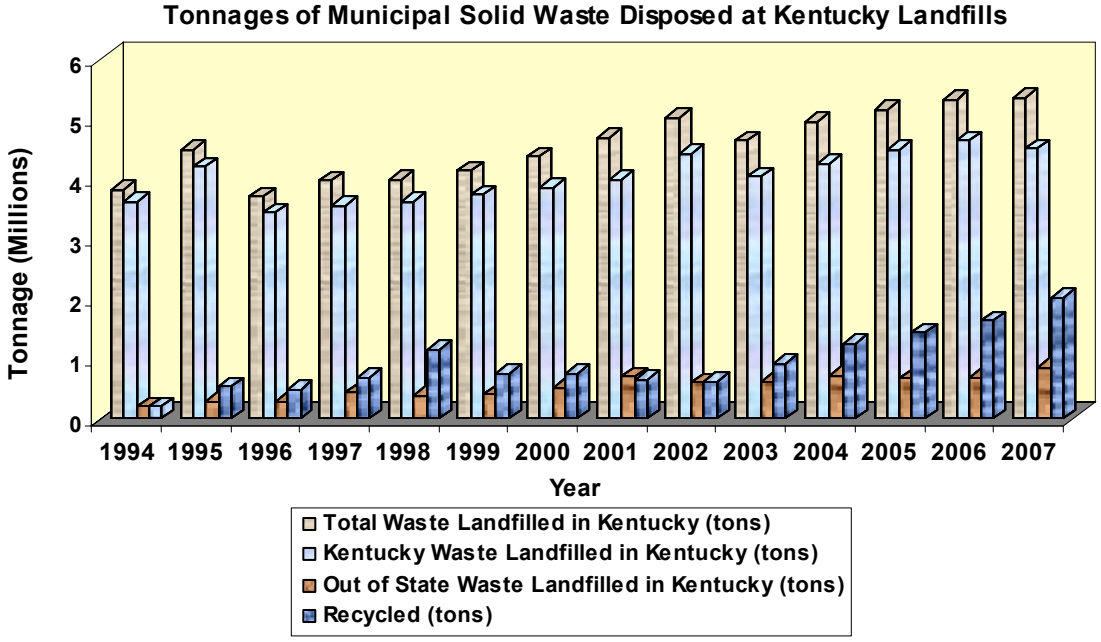

Chart No. 1

Year	Total Waste Landfilled in Kentucky (tons)	Kentucky Waste Landfilled in Kentucky (tons)	Out of State Waste Landfilled in Kentucky (tons)	Recycled (tons)	Percentage of Nationally	Percentages Kentucky
1994	3,813,365	3,621,623	191,742	191,684	23%	5%
1995	4,476,904	4,207,071	269,833	529,423	27%	11%
1996	3,700,832	3,429,983	270,849	474,415	28%	12%
1997	3,972,746	3,543,196	429,550	685,650	30%	16%
1998	3,989,181	3,615,890	373,291	1,150,620	31.5%	24%
1999	4,130,796	3,734,798	395,998	739,136	33%	16%
2000	4,375,652	3,860,516	515,136	742,398	32%	16%
2001	4,683,702	3,982,260	701,442	644,925	*	13%
2002	5,014,407	4,415,859	598,548	615,476	26.7%	12%
2003	4,642,560	4,036,800	605,760	919,802	*	18% **
2004	4,961,476	4,259,181	702,295	1,237,294	*	22% **
2005	5,157,185	4,493,499	663,686	1,429,490	30.0%	22%
2006	5,317,765	4,636,351	681,414	1,626,778	28.5%	26%
2007	5,351,897	4,500,843	851,055	2,005,249	*	31%

* National data is not available for 2001, 2003 and 2004 percentages.

** 2003 and 2004 Kentucky percentage increases are partially attributable to better data, due to a new state law that took effect mid-2002 requiring recyclers to register and report amounts and types of materials recycled. Kentucky municipal solid waste recycled figures are for: aluminum, cardboard, steel, plastic, newsprint, glass and paper.

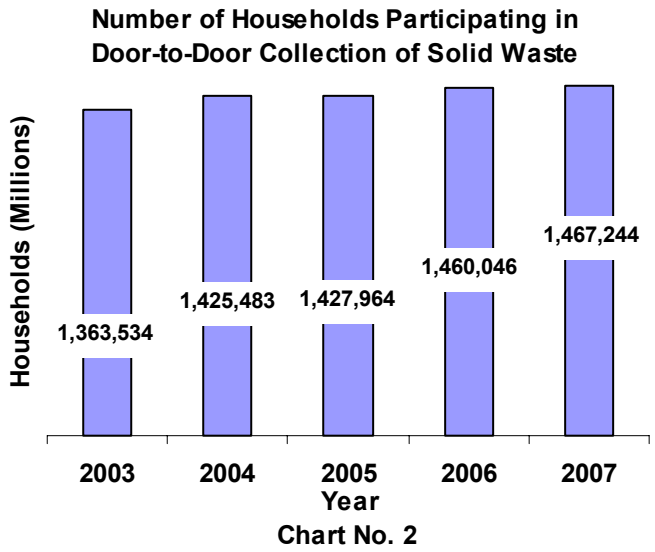

Chart No. 2

Factors Affecting Municipal Solid Waste Collection

Municipal Solid Waste Collection Programs

Participation in collection systems has steadily increased since 2003. Beginning Oct. 1, 2003, waste haulers and recyclers were required to register and report annually to the county the number of households utilizing collection service.

Since 2003, participation in door-to-door collection service has increased 7 percent. Since the cabinet began gathering data in 1993, participation in door-to-door collection service has increased 44 percent. Chart No. 2 shows the number of households participating in collection systems from 2003 to 2007.

The average participation rate for collection systems in 2007 is 87.05 percent, which means approximately 13 percent of households (219,115 households) are disposing of their garbage illegally or are not accounted for by current tracking methods. Self-haul to a transfer station or convenience center is a legal method of disposal. However, most counties have difficulty tracking customers to these type facilities. Increased reporting requirements from transfer stations and convenience centers is needed to ensure adequate tracking for households participating in proper disposal of municipal solid waste.

Cleanup of Illegal Open Dumps

Since 1993 more than 24,000 illegal open dumpsites have been cleaned at a cost of $60.1 million. Chart No. 3 shows the number of dumpsites cleaned since 2003. In 2007, counties cleaned 531 illegal open dumps at a cost of $2.2 million. The average cost to clean each dumpsite was $4,143. There are 721 known dumpsites remaining in 2007.

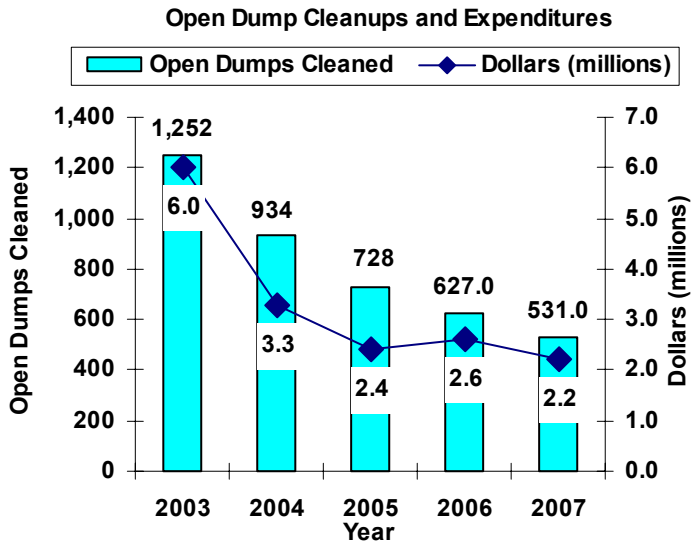

Chart No. 3

Chart No. 4 shows a slight increase in the number of illegal dumps identified since 2007. While new dumpsites are identified every year, this increase may be reflective of counties increased focus of identifying unknown dumpsites within their communities. Financial assistance, through the Kentucky Pride Fund Illegal Open Dump Grant program, has provided counties the incentive and the necessary financial help to identify and rid their communities of their old dumpsites.

Since 2002, the Kentucky Pride Fund ($1.75 environmental remediation fee) Illegal Open Dump Grant program has funded the cleanup of 791 dumpsites at a cost of more than $2.6 million. The fourth round of illegal open dump grants was awarded in January 2008 for the remediation of 293 dumpsites at a cost of $3 million.

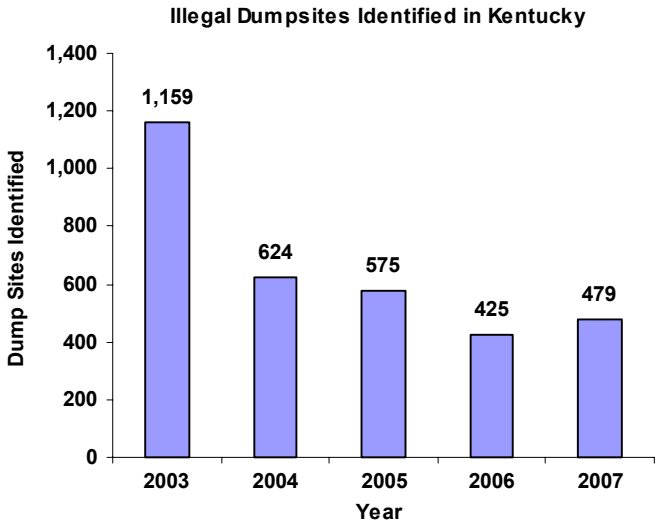

Chart No. 4

Litter Abatement

The division began tracking the cost of litter activities and the number of bags of litter collected in 2001. State litter abatement grant funding (Kentucky Pride Fund) began in fiscal year 2002. The cabinet receives $5 million annually from the Transportation Cabinet for distribution to counties and incorporated cities for litter abatement activities.

The success of litter abatement campaigns across the commonwealth is evident in the reduction of litter being picked up along roadways. Since 2005, there has been an 18 percent decline in the amount of litter collected from roadways. In 2007, counties cleaned more than 162,000 miles of roadways collecting more than 26,000 fewer bags than in 2006.

Litter collection costs totaled $8,846,568.25, an average cost of 71 cents per pound ($1,420 per ton). The majority of items found on roadways are plastic bottles and food containers. Litter is costly at $1,420 per ton when compared to the average landfill disposal rate of $29.62 per ton.

Chart No. 5 reflects the number of bags of litter collected and the amount spent on litter for calendar years 2001-2007.

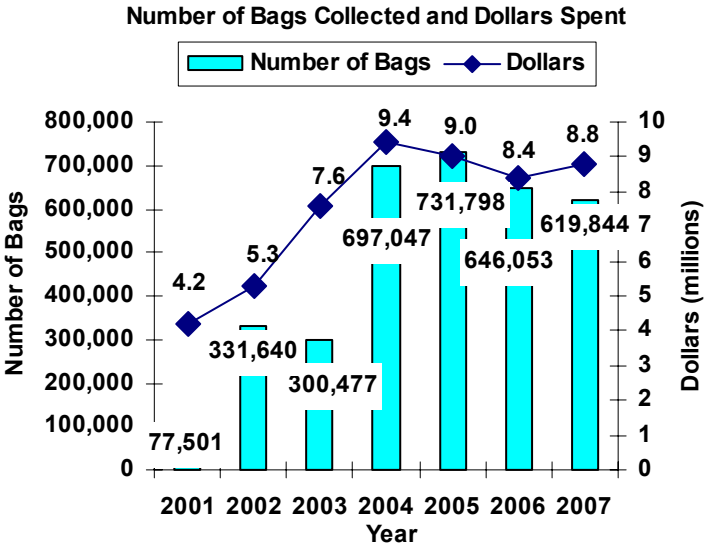

Chart No. 5

The Great American Cleanup

The Great American Cleanup, sponsored by Keep America Beautiful, runs March through May annually. The three-month period includes the cleanups sponsored by Commonwealth Cleanup Week (proclaimed the last week of March by the 1998 legislature), Eastern Kentucky PRIDE and Bluegrass PRIDE.

The theme for the 2007 Commonwealth Cleanup was *"Don't Litter – Pick up the Habit.*. Commonwealth Cleanup Week is the combined efforts of city and county governments, individuals, businesses, nonprofit groups and various state agencies promoting Kentucky's unbound beauty. The success of Commonwealth Cleanup Week is demonstrated by the more than 5,000 volunteers and county and state employees who cleaned over 1,800 miles of road and 26 illegal dumpsites while collecting less waste. The success is in educating our citizens about waste issues and those results are showing along our roadways and countryside. The Great American Cleanup results are listed below for calendar years 2003 - 2007.

Year	Participating Counties	People	Dumps Cleaned	Miles Cleaned	Tons Recycled	Bags of Trash	Number of Appliances	Tons of Trash Disposed	Tires Recycled/ Disposed
2003	91	23,218	171	1,289	713	59,885	6,030	6,606	85,535
2004	89	10,517	366	3,514	1,525	46,725	3,338	5,074	183,780
2005	50	31,239	88	3,652	881	89,652	5,599	2,500	264,590
2006	34	6,381	38	2,016	369	19,061	1,189	1,054	34,340
2007	40	5,151	26	1846	158	14860	410	978	3,956

Enforcement

In 1997 the cabinet began an emphasis on enforcement of illegal open dumping. Enforcement and education alerts citizens to proper management of solid waste. These efforts result in the creation of fewer illegal open dumps. In 2007, state inspectors issued 235 Notices of Violations (NOVs) on illegal dumping. Local governments are also increasing the prosecution of illegal open dumping, littering, non payment of garbage bills and non participation in a county's mandatory collection system.

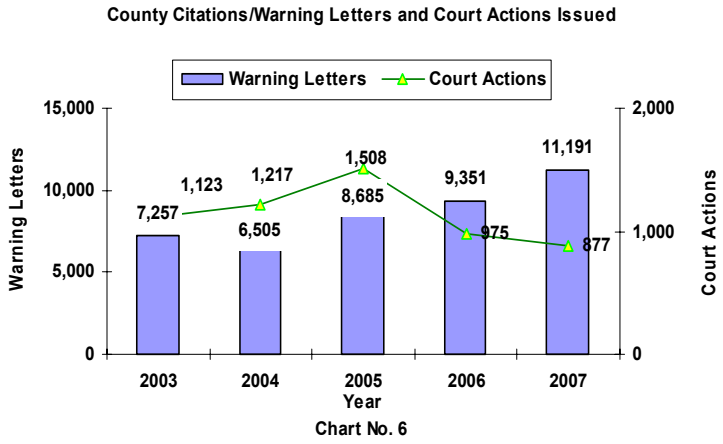

Chart No. 6

Chart No. 6 shows the number of county-issued citations and warning letters and subsequent court actions for the calendar years 2003 – 2007.

Education

Virtually all counties provide some level of solid waste education. Counties conduct local activities through schools, radio, newspapers, television, brochures, fairs, contests, etc. Civic groups, extension service, homemakers clubs, school groups, Department for Environmental Protection staff and local nonprofit organizations all provide support through local involvement in solid waste education activities.

The cabinet hosts solid waste training and education workshops twice a year for county solid waste coordinators, area development district staff, environmentalists, elected officials and interested citizens. State staff also provides assistance and ensures compliance through annual site visits to all counties, monthly newsletters, daily phone calls and correspondence.

At the request of the Kentucky Association of Counties (KACo), the Division of Waste Management, Recycling and Local Assistance Branch conducted four three-hour classes on the Basic's of Solid Waste Management. This training class provided basic solid waste management requirements to new county judge-executives, magistrates and commissioners.

County Recycling and Recycling Education Programs

County recycling data illustrates a steady increase in the statewide recycling rates of common household items such as glass, aluminum cans, newspaper, mixed and white office paper, cardboard, metal and plastics through 2006. County data shows a decline in common household items recycled in 2007. Chart No. 7 reflects the amount in tons of common household items recycled in Kentucky since 2000.

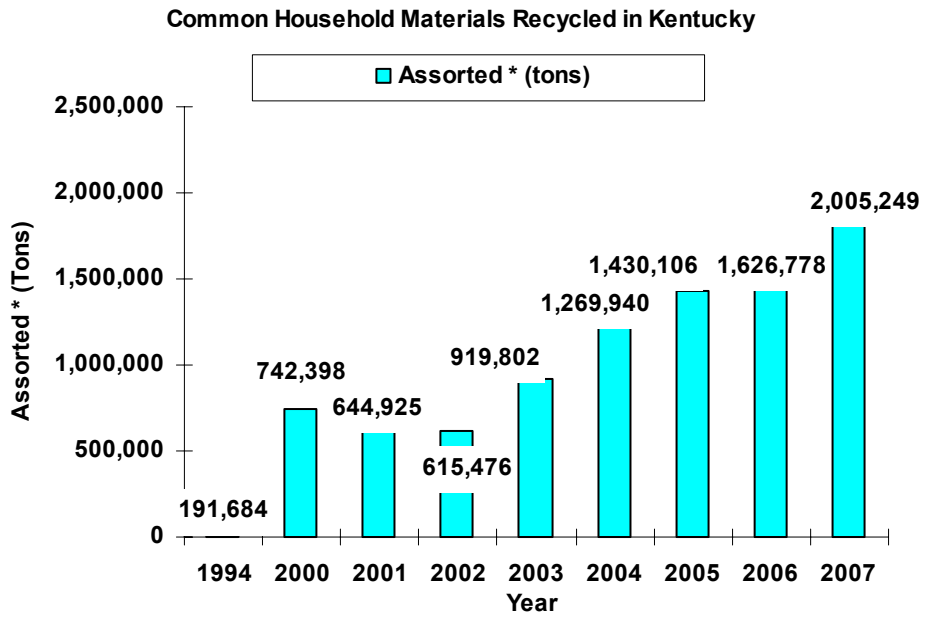

Chart No. 7

Beginning March 1, 2004, HB 174 required recyclers to report annually to the county the amount of municipal solid waste collected for recycling by volume, weight, or number of items and the type of items recycled. The decrease in common household items recycled may be reflective of economic times. Many recyclers hold recyclables in anticipation of an increase in the market value.

SB 50 amended the Kentucky Pride Fund to provide grants for the development and expansion of recycling programs and household hazardous waste management. The first recycling grant was awarded in June 2007 to 26 entities for a total of $2.3 million. Reports on recycling grant funding are due to the Division of Waste Management on June 30, 2008. The new recycling grants and education efforts by local governments should result in increases in the recycling rates.

State Recycling Programs

The Division of Waste Management, Government Recycling Section continues to operate the state paper recycling program serving more than 115 building locations in Frankfort. The Government Recycling program is self-supporting paying for seven full-time staff positions. The Government Recycling Section offers free pickup and free document destruction of governmental office paper. The Government Recycling Section moved to its new location on Northgate Drive in June 2006. The new facility offers a secured environment to address confidentiality issues. Office paper represents 80 percent of the waste stream in the office environment. The cabinet has been tracking the amount of governmental waste paper recycled since 1993, with more than 31 million pounds of paper being recycled. Since 2003, state employees recycled more than 15 million pounds of waste paper, generating more than $807,000 in revenue.

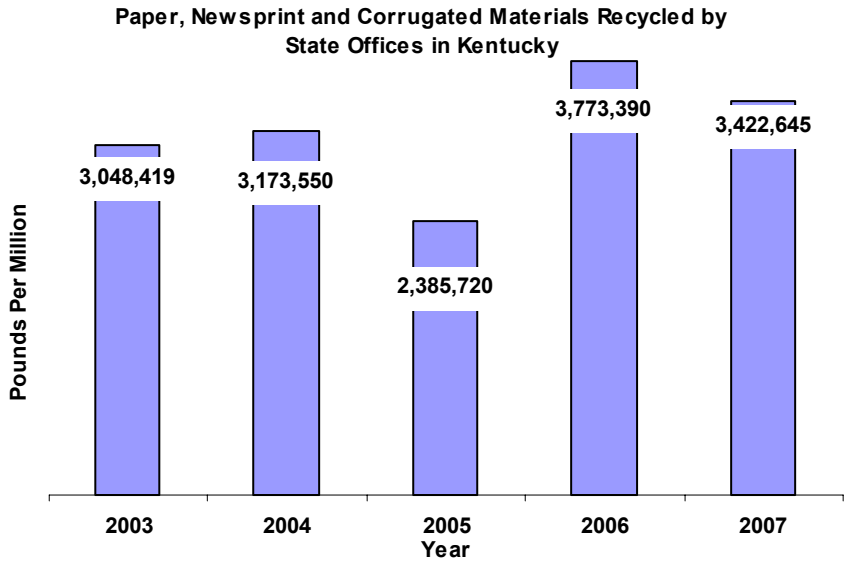

Chart No. 8

In 2007, government offices recycled 3,422,645 pounds (1,711 tons) of paper, newsprint and cardboard, approximately 300 pounds per state employee. Chart No. 8 reflects the millions of pounds of governmental waste paper recycled for calendar years 2003–2007.

Kentucky Recycling and Marketing Assistance Program (KRMA)

The Division of Waste Management's recycling grants committee reviewed more than 40 recycling grant applications and awarded $2.3 million to 26 cities, counties, and universities in 2007. The grants are funded through the $1.75 Environmental Remediation Fee paid on each ton of waste disposed in Kentucky landfills. The goal is to encourage recycling in areas where few recycling opportunities for citizens exist, with an emphasis on regional recycling.

The Kentucky Recycling Interest Group (KRIG) reorganized in 2007 and joined with the Kentucky Pollution Prevention Center to facilitate a much needed statewide program to further develop the recycling infrastructure of the state. More meetings are scheduled into 2008.

Electronic scrap (e-scrap) collection is growing in the state, with approximately 31 counties offering some type of e-scrap collection. Year-round e-scrap drop-off programs are increasing across the state with 10 counties now offering it. Another 21 counties offer some type of e-scrap collection, whether periodic or an annual event. More than 2,400 tons of e-scrap was collected in 2007. The 2008 Recycling Grant program will broaden to include household hazardous waste, e-scrap and mercury collection events.

The glass pulverizer loan project produced 50 tons of pulverized glass in Mason County during the summer of 2007.

Mercury collection events were held by 12 counties with some of the events serving several counties. The events amassed 1,870 pounds of mercury and mercury-containing equipment. These events were made possible by the Kentucky Pride Fund.

The End of Life Vehicle Solutions – 2007 (ELVS), targets mercury-containing switches removed from automobiles before the autos are salvaged for scrap metal. The program collected 15.62 pounds of mercury from 7,100 switches from 38 participants.

Waste Tire Trust Fund

The Waste Tire Trust Fund was reauthorized in the 2006 General Assembly and will be in effect until July 31, 2010. Funding comes from a $1 fee charged on the sale of all new replacement motor vehicles tires sold in Kentucky. The fund is used to conduct waste tire amnesty programs, crumb rubber grants, and market development for the use of waste tires.

In 2007, the Waste Tire Amnesty Program held collection events in the Buffalo Trace, FIVCO, KIPDA, Northern Kentucky and Cumberland Valley area development districts resulting in 1,122,377 passenger tire equivalents being collected and recycled.

Crumb Rubber Grants

From 2004 – 2007, the cabinet awarded 162 grants totaling more than $4.6 million to local government and schools for the use of crumb rubber made from recycled tires on athletic fields and playgrounds. Fifty grants totaling $1.2 million were awarded for crumb rubber projects to be completed during calendar year 2007. Funding for the crumb rubber grants comes from the Waste Tire Trust Fund.

Yard Waste Tons Collected

Zero

Litter Costs	Litter Bags	Miles of Litter Cleaned
$37,429.15	3,943	470

Educational Activity:

Special Events:

SW Coordinator A. L. Sinclair Part-time

COLLECTION: Extension service sends letters to households on solid waste issues.

DISPOSAL: Extension service sends letters to households on solid waste issues.

RECYCLING/REDUCTION: Educated 17 businesses and they now collect recyclables for County to pick up. 480 youth participated in Recycling Club Project, 5 youth created recycled craft project, 30 youth worked on recycling information packets. Monthly Spotlight on a business that recycles.

ANTI-LITTERING: Two litter convictions posted in paper.

ANTI-DUMPING: Extension service sends letters to households on solid waste issues.

ENFORCEMENT: Once a dump is located and identified, and if a name is found, the SWC turns name over to County Attorney and she takes the case before the Grand Jury and a citation is issued. Seven criminal littering citations were issued; one violator was fined $25.

SITING: Informed public of ordinance or procedure on placement of a solid waste management facility within a county.

Litter Costs	Litter Bags	Miles of Litter Cleaned
$39,291.81	5,952	1919

Educational Activity:

COLLECTION: Newspaper article "Trash Talk" discussed advantages of being signed up for collection. Rumpke services and availability of roll off containers through Mason County or Rumpke discussed in news articles. Strong tire amnesty advertising in advertisements and flyers generated a 73% increase in the tire amnesty participation.
DISPOSAL: Facilities utilized were discussed in weekly "Trash Talk" articles.
RECYCLING/REDUCTION: Recycling grant awarded to four local schools. Recycling trailers were presented to each with assistance from Judge/Executive, Superintendents, and Principals. Packets of information on use of trailer and a video were supplied or shown to students, teachers and staff concerning proper recycling. Bi-monthly articles on recycling and drop off trailer locations in newspaper. County operates an ongoing e-scrap and metal collection program and notes this in news articles several times per year. Solid waste coordinators operate nine trailers and field many questions on a daily basis. Information handed o at "Community Day" events on recycling. "Trash Talk" articles always stress the three R's of recycling.
ANTI-LITTERING: Bracken County was successful in getting State Police Commissioner Jack Adams to agree to include KRS 512.070 within the next edition of the Kentucky Driver Manual. Flyers discussing KRS 512.070 and the effects of littering provided to county and city clerks, to schools and students during recycling trailer presentations, during tire amnesty, and during "Community Days." Trash Talk article often discusses effects of littering. Solid waste department conducted a C.U.B. (Clean Up Bracken) party at schools during Commonwealth Cleanup Week with door prizes to get school children interested in eliminating litter.
ANTI-DUMPING: Trash Talk article has encouraged mandatory collection and the reporting of dumping in an effort to eliminate dumping. "No dumping" signs have been posted and repeat sites are checked on a regular basis.
ENFORCEMENT: Many person-to-person contacts were made in an effort to decrease improper waste management practices. Three litterers were given community service and the incidents appeared in the newspaper as a deterrent for others.
SITING: None reported.

Educational Activity:

COLLECTION: The SWC wrote regular news articles for the various newspapers in the area. He also had regular radio announcements stating that collection wa: mandatory and how to participate.

DISPOSAL: The SWC utilized the local newspapers and radio announce special cleanup events and to also inform citizens that the transfer station is available f legal disposal.

RECYCLING/REDUCTION: PRIDE funded a teacher to visit different schools in the county and talk to students about recycling/reduction. The teacher brought recyclables to school and the kids made various crafts from them. Breathitt Co provided $5,000 toward this funding.

ANTI-LITTERING: The SWC frequently wrote about littering in his newspaper articles. He also mentioned littering problems several times a year on the radio. The SWC participated twice in a 30 minute talk show on the local radio station called "To the Point" where he told the public what was happening with various solid waste issues in Breathitt County.

ANTI-DUMPING: The SWC frequently wrote in the newspaper and spoke on the radio about illegal dumping. When searching for names in a dump, the SWC wait: until a car drove past, then holds a piece of paper up so that the passing car can see him looking for names. Sometimes the paper doesn't have a name, but the people in the passing car doesn't know this. Yes, Breathitt County has a sneaky coordinator.

ENFORCEMENT: The SWC made regular visits to households not signed up on garbage service. He issued a written Notice of Violation to these households. If they failed to respond to the NOV, he filed a criminal complaint. Enforcement was frequently mentioned in newspaper articles and radio announcements.

SITING: None reported.

Yard Waste Tons Collected

2,483.00

Litter Costs	Litter Bags	Miles of Litter Cleaned
$87,452.71	5,728	571

Educational Activity:

COLLECTION: For 2007, the Hopkinsville Solid Waste Authority announced that it would continue to offer trash services while the annual leaf collection was bein conducted. Residents were advised through public service announcements and signage placed locally in their neighborhoods that the leaf pickup would be occurring.

DISPOSAL: None reported.

RECYCLING/REDUCTION: In 2007, the recycling education program for elementary school-age children was offered during Nature Fest at Jeffers Bend. The recycling program teaches the benefits of recycling, the cost of not recycling, and the process of recycling certain items. The program touches on the recyclabilit of aluminum, non ferrous metals and oil paint, plastic, paper, yard waste, electronics, and glass. The recycling education program is an ongoing part of Nature Fest and all educational events held at Jeffers Bend.

ANTI-LITTERING: In 2007, the Solid Waste Coordinator continued the Litter Awareness education program for elementary school-age children. The program is implemented throughout the school year at the Jeffers Bend Environmental Park. The program teaches the cost of litter as well as the environmental effects of litter. The program touches on the items that frequently become litter and how to react to litter bugs. The education program on litter was presented for the first time to students of the Christian County School System in 2006. In 2007, Christian County joined forces with Downtown Renaissance for the Annual Trick or Trea

Special Events:

8 Litter Cleanup Days

SW Coordinator Angela Satterlee Part-time

Downtown. The County provided Halloween themed litter bags and anti-litter educational materials to trick-or-treaters. The City of Hopkinsville and the County also placed anti-litter signage throughout the City and County.

ANTI-DUMPING: None reported.

ENFORCEMENT: The Hopkinsville-Christian County Planning Commission continued the enforcement of Chapter 93 of the Hopkinsville Code of Ordinances previously conducted by PRIDE, Inc. In addition, the Solid Waste Enforcement Officer enforces the Christian County Ordinance 91-2. The HCCPC and the Solid Waste Enforcement Officer write letters to property owners who are found to be in violation of the Solid Waste Ordinances, educating them on the correct practices regarding solid waste in the City of Hopkinsville and Christian County. In the City of Hopkinsville, offenders are brought before the Code Enforcement Board. Outside the City of Hopkinsville, offenders are required to appear in Court.

SITING: None reported.

Yard Waste Tons Collected: 1,666.00

Litter Costs	Litter Bags	Miles of Litter Cleaned
$52,456.77	4,937	1628

Educational Activity:

COLLECTION: The collection of materials that are included for recycling and/or for disposal are included during discussions and presentations regarding solid waste and are often noted in newspaper articles.

DISPOSAL: Proper disposal of solid waste is routinely included in all solid waste coordinator presentations. Presentations were conducted at summer camp at College Park and at the following elementary schools: Fannie Bush, Trapp, Providence and Shearer during 2007. Newspaper articles stress the importance and facts regarding solid waste disposal.

RECYCLING/REDUCTION: Presentations including a demonstration on waste reduction through recycling were conducted at Fannie Bush, Trapp, Providence and Shearer elementary schools. Solid waste coordinator presentations include information on recycling. All schools in Clark County participate in the telephone boo recycling contest in February. The winner of the contest received a cash prize. 210 students attended the 4-H Environmental Camp in September. The Future Farmers of America (FFA) assisted in the Spring and the Fall Steel/White Goods Recycling Events. Several school groups have visited these events to learn first hand about recycling. Homemakers collect and recycle pop can tabs to benefit the Children's Miracle Network. Two Rinse and Return farm chemical container

SW Coordinator Gary Epperson Part-time

collection events are offered to the agriculture community.

ANTI LITTERING: Litter is a topic that is routinely included in presentations conducted by the solid waste coordinator. Presentations were conducted at Fannie Bush, Trapp, Providence and Shearer elementary schools in 2007. Numerous articles in the local newspaper cover litter prevention. Several schools, Boy and Girl Scout Troops, civic groups, and church youth groups participated during the community litter cleanup and learned first hand about the problems associated with litter. A litter song and two educational music videos were produced by the Clark County solid waste coordinator Gary Epperson and friends in 2007.

ANTI DUMPING: Illegal dumping is a topic that is routinely included in presentations conducted by the solid waste coordinator. Presentations were conducted at Fannie Bush, Trapp, Providence and Shearer elementary schools in 2007. Numerous articles in the local newspaper cover illegal dumping. Local schools participated in community dump cleanups and learned first hand about the problems associated with illegal dumping. Boy and girl scout troops, civic groups and church youth groups participated during the community litter cleanup and learned first hand about the problems associated with litter.

ENFORCEMENT: When violations occur and are investigated, the responsible parties become educated about laws and regulations regarding solid waste disposal. During presentations, the consequences of illegal activities are discussed.

SITING: None reported.

SW Coordinator Penny McFadden Full-time

COLLECTION: The Division of Solid Waste sent out three newsletters to residential properties, schools, apartments and businesses with information on proper setout procedures for waste, yard waste and recyclables. The newsletters also discussed disposal options, enforcement issues, and special cleanup activities.
Solid Waste personnel hosted a recurring government television show "At Your Service" addressing collection, recycling, disposal, littering, illegal dumping, composting, enforcement and special cleanup activities. Solid Waste staff also participated in other public access and local network news reports to highlight solid waste activities.
The Division of Solid Waste ran a commercial campaign on proper setout procedures on collection.
The Division of Solid Waste hosted booths at the Home & Garden Show, Fox Fest, Energy Expo and Green Living Expo. Information was given out on proper collection procedures; yard waste collection, home composting, enforcement issues, disposal options and the Rosie Recycling program.
The Office of Public Information sent out several press releases on holiday collection schedules.
Public Works sent out solid waste guides in English and Spanish on Recycling, Yard Waste, Garbage Collection, Call-In Collection and other disposal/recycling options.
The Division of Solid Waste personnel maintains a comprehensive website that provides information on all Solid Waste services.
http://www.lfucg.com/pubworks/solid_waste/index.asp

DISPOSAL: The Division of Solid Waste sent out three newsletters to residential properties, schools, apartments and businesses with information on proper disposal options.
Solid Waste personnel hosted a recurring government television show "At Your Service" addressing disposal and other solid waste issues
"At Your Service" segments were also devoted to the proper disposal of Household Hazardous Waste, the Spring Clean, the Great American Cleanup, disposal issues relating to storm water, and disposal issues relating to sanitary sewers.
The Division of Solid Waste maintains a comprehensive website that provides information on all Solid Waste services.

RECYCLING/REDUCTION: The Division of Solid Waste sent out three newsletters to residential properties, schools, apartments and businesses with information on the LFCUG recycling program.
Recycling presentations were given to numerous groups and schools.
The Division of Solid Waste maintains a comprehensive website that provides information on recycling services.
Solid Waste sponsored a booth at the Lexington Home and Garden Show with a focus on yard waste management and home composting.
The Division of Solid Waste provided a solid waste information booth at Fox Fest and at the Roots and Heritage Festival. The booth provided information on recycling, composting, collection procedures and enforcement.
Public Works sent out solid waste guides in English and Spanish on Recycling, Yard Waste, Garbage Collection, Call-In Collection and other disposal/recycling options.
A series of radio and TV commercials were produced on the topic of recycling and aired on local stations.
.
ANTI LITTERING: Litter Outreach Program at the Explorium - 180 Students
Litter Education on Clear Channel - 7 interviews
Articles in school newsletter - 2
Litter education in classroom - 15 schools, 1,609 students
Litter education curriculum developed in Fayette schools
Public Works staff spoke on several radio and TV programs about special cleanup events such as Kentucky River Clean Sweep, Great American Cleanup and the Spring Clean.
A press conference for Lexington's Litter Buster campaign was held at 10:00 a.m. on Thursday, April 6th in the lobby of the Government Center located at 200 East Main St.
Litter is a problem that costs Lexington thousands of dollars each year through cleanup costs and lost economic development and tourism. The Litter Buster campaign is aimed a cleaning up and preventing litter through action, outreach and enforcement.

ANTI DUMPING: During an "At Your Service" program, UK student Will Tucker highlighted the devastating effects of illegal dumping and litter in streams through an art project made of litter imitating the flow of a stream.
The Division of Solid Waste sent out three residential newsletters and one school newsletter with information on proper setout procedures for waste, yard waste and recyclables. The newsletters also discussed disposal options, enforcement issues, and special cleanup activities.

ENFORCEMENT: Enforcement commercial aired on various media outlets outlining proper disposal methods.
The Division of Solid Waste sent out three residential newsletters and one school newsletter with information on proper disposal options, enforcement issues, and special cleanup activities.
The Division of Solid Waste maintains a comprehensive website that provides information on all Solid Waste services.

Educational Activity:

COLLECTION: Several public meetings were held to discuss the benefits of awarding franchise contracts for garbage collection.

DISPOSAL: County promotes " Free Large Item Drop-Off Days" at the Convenience Center in the Spring and Fall.

RECYCLING/REDUCTION: 4-H Club Recycling: All five public schools in Garrard County participate in the 4-H Recycling Program at their respective locations. 4-I clubs in each school pass out recycling containers for each classroom which are emptied by club members and sponsors on a daily basis. 4-H members and sponsors work to educate students, faculty, and staff about recycling and its benefits in reducing waste.

Rainbow Recycling Rewards: Every third Saturday of each month, volunteers set up a recycling drop-off station at the Garrard County Fairgrounds for children tc

Special Events:

Convenience Center Free Dump Days

SW Coordinator Christopher Thomason Full-time

bring recyclable items. Children are given points based on the amount of recyclables brought to the location which they use to "buy" small toys and games. Children are given literature geared toward educating kids about the importance of recycling and also participate in a recycling trivia game that is featured at eve third Saturday recycling event.

Party on the Town Square: This free event held one Friday night every June is geared toward educating all citizens about the importance of recycling and waste reduction. Literature, recycling giveaways, guest speakers, singers, games, and food are provided to all attendees in an effort to raise awareness about recycling Recycling containers are placed throughout and representatives of the Solid Waste Committee work the crowd passing out information about recycling in Garrar County.

Earth Day Festival: This free event held every April is sponsored by numerous local organizations and is appropriate for all ages. Food, games, and a variety of booths and vendors who have an interest in recycling are featured. Citizens may bring recyclable items from plastic bottles to junk cars to the event with the appropriate recycling venue accepting the item at the festival. Literature and recycling giveaways are also a major part of the Earth Day Festival.

ANTI-LITTERING: Beautify Garrard County Campaign: This campaign begins in May and ends with the party on the square. Anti-litter t-shirts are sold, literature is passed out, posters are placed in businesses throughout the county, and numerous drawings for great prizes are held throughout the event. Citizens, businesse civic organizations, and local governments are encouraged to spend one hour per week during the month of May picking up trash or cleaning illegal dumpsites. Pictures are taken of these cleanups and posted in the local newspaper. News stories in the local newspaper and radio are a major part of the campaign to assist in educating the public about the clean-up efforts in the county. The Judge/Executive declares this Month "Clean-up Garrard County Month" and t-shirts featured the slogan "I Love Garrard County—Don't Litter" are worn on a specific day by county employees as well as employees of many local businesses.

ANTI-DUMPING: Letters to the Editor/News Articles: Throughout the year, numerous illegal dumps are abated using county resources and employees. Each time dump is cleaned, pictures and a news release are submitted to the local newspaper for publication. This is usually accompanied by a letter to the editor from the Solid Waste Coordinator or Solid Waste Committee Member discouraging illegal dumping and outlining its harmful impact on the environment.

ENFORCEMENT: The county solid waste ordinance clearly defines illegal dumping and sets penalties for violators. Warning letters were sent out and summonse were issued for illegal dumps and junk accumulations.

SITING: Since a siting ordinance was enacted in 2005, public hearings and meetings have received newspaper coverage in Lancaster and Danville.

Educational Activity:

COLLECTION: The county has used brochures, news articles, presentations to school groups, Kiwanis, Home makers, women's groups, Chamber of Commerce and 109 Board meetings as well as a web site and visits by the Solid Waste Coordinator to educate the public on the mandatory collection ordinance.

DISPOSAL: The county has used brochures, news articles, presentations to school groups, Kiwanis, Home makers, women's groups, Chamber of Commerce an 109 Board meetings as well as a web site and visits by the Solid Waste Coordinator to educate the public that free disposal is available for those signed up for weekly collection.

RECYCLING/REDUCTION: The county has used brochures, news articles, presentations to school groups, Kiwanis, Home makers, women's groups, Chamber of Commerce and 109 Board meetings as well as a web site and visits by the Solid Waste Coordinator to educate the public of recycling options. Juvenile offenders given community service time can collect recyclables, donating the proceeds to a local food bank, as a way to complete their hours.

ANTI-LITTERING: The county has used brochures, news articles, presentations to school groups, Kiwanis, Home makers, women's groups, Chamber of Commerce and 109 Board meetings as well as a web site to discourage littering. County also requires a letter to the editor of non-profit groups that do litter cleanups.

Special Events:

Commonwealth Cleanup Week

Four Lake Sweeps

Spring and Fall Community Cleanups

SW Coordinator Bryan Miles Full-time

ANTI-DUMPING: The county has used brochures, news articles, presentations to school groups, Kiwanis, Home makers, women's groups, Chamber of Commerce and 109 Board meetings as well as a web site and visits by the Solid Waste Coordinator to educate the public that illegal disposal is not allowed and that free disposal is available for those signed up for weekly collection.

ENFORCEMENT: The Solid Waste Coordinator and Planning and Zoning actively enforce the nuisance ordinance. NOV's are issued and, as part of any agreed orders, a letter to the Editor from the offender is required.

SITING: None reported.

Litter Costs	Litter Bags	Miles of Litter Cleaned
$117,761.26	5,489	1118

Educational Activity:

COLLECTION: Newspaper articles encourage use of garbage service. Handouts are provided on recycling and free service days at landfill. Provide collection information on "Earth Day" Programs.

DISPOSAL: The county owns a landfill and has mandatory garbage service. Four free service days are provided and the county/city residents are encouraged to use. Hoping to set aside a day for free household hazardous waste.

RECYCLING/REDUCTION: Hardin County Agricultural Extension Service continues to offer a "Rinse and Return" program for pesticide containers. Several school systems encourage and participate in recycling programs. A list of local recyclers is made available.

Special Events:

BSA--Nolin River Sweep
Commonwealth Cleanup Week
Free Service Days
Rinse and Return

SW Coordinator Robert L. Hall Full-time

ANTI-LITTERING: School systems have active, ongoing anti litter programs. Newspaper articles are published locally to make people aware of the cost to clean u litter.

ANTI-DUMPING: The county posts surveillance cameras to detect illegal dumping activities. Violators will be prosecuted.

ENFORCEMENT: NOVs will be issued to individuals or parties not in compliance with the county property maintenance ordinance. Legal action are handled through District Court.

SITING: Provide information on siting solid waste uses through the Hardin County Development Guidance System.

SW Coordinator Pauline C. Allen Full-time

COLLECTION: A newly updated website details locations available for recycling and solid waste disposal including bulky items, white goods, paint, and tires. Residents can email questions to the Coordinator. Household hazardous waste disposal tips are also included. A collection rate of $1/month/household increase helps with door to door recycling program. Brochures are also distributed.

DISPOSAL: Updated, color recycling brochures outlining recycling drop-off locations in Henderson City, Corydon City and Henderson County as well as solid waste drop off locations and hours of operation. Phone numbers were include as well as information on how to report illegal dumping, how to prepare recyclable for drop-off and what can be accepted at each location. The brochures also include private companies that accept recyclables from the public and solid waste services for county residents. The SWC conducted radio programs to promote Commonwealth Cleanup Week, Tire Amnesty.

RECYCLING/REDUCTION: Free "Paper Shred Day" was advertised and held in conjunction with Earth Day. Over 5 tons of paper was shredded. Earth Day was celebrated with free tree seedling giveaways and aluminum can recycling trailer placed at Wal-Mart. All cans collected benefited Habitat for Humanity. Coloring books for children were distributed as well as drawings for prizes. Brochures outlining recycling and solid waste opportunities were distributed and radio advertising helped promote the event. Henderson County Fairgrounds placed permanent plastic fencing made from recycled materials as an example of recycled content products. Crushed glass was recycled and used in road bed construction. Christmas tree recycling netted over 5 tons. Advertising for these programs was in the local newspaper, on local radio and TV stations. A brochure was delivered to 13,000 households on what can be recycled, how to prepare it and wher to take it if not picked up at residences. Two Rinse and Return events were advertised and conducted. City and County schools continued instruction on recyclir programs. Schools can now safely store plastics, newspaper, aluminum cans, steel cans, magazines and office paper for recycling by the Henderson County Roa Department for schools outside the city limits. Schools inside the city limits were included in the Henderson Curbside Recycling Program, which is now in its sixth year of service. "Wheels for the World" event collected wheelchairs and ambulatory aids. The Habitat for Humanity Re-Store advertised and collected construction material and used furniture and appliances out of the landfill. "Art of Recycling" contest drew artists from the Tri-State area to create art with recycled material.

ANTI-LITTERING: The City of Henderson and Police Department conducted a Community Cleanup and Cookout in conjunction with Operation Community Pride lasting for two weeks where residents could place bulky waste and tree limbs on the curb for free pickup. Radio station and local newspaper promoted the cleanup. Ohio River sweep was advertised for volunteers and conducted cleanup on two miles of shoreline. A trash brochure outlining the county ordinance anc the state statutes regarding open burning, littering and the punishment was made available to residents who were found to be in violation of the county's illegal dumping, illegal burning, or littering ordinances. The brochures also included a Henderson County Illegal Dump and Solid Waste Hotline number to report illegal dumping, littering or to get more information about haulers. Fiscal Court sponsored 8 Community Cleanups at which roadways were cleaned by the Fiscal Court, Road Department, Detention Center Inmate Program, Tri-County Recycling and Operation Community Pride. Residents could set bulky waste on the curb for pickup by County Road Dept crews and inmates from the Henderson County Detention Center. Each household could also take four tires to the curb for pick up and recycling. These events were publicized through the newspaper and radio. Commonwealth Cleanup Week netted over 880 tires. Articles and pictures appeared in the newspaper. Road crews picked up litter along 6 miles of public roadways. Students painted recycling bins and placed at Newman Park recreational fields to encourage recycling and not to litter.

ANTI-DUMPING: Commonwealth Cleanup Week was promoted for volunteers after which names were entered in a statewide cash prize drawing. A website link t the Kentucky Division of Waste Management details what to do with hazardous waste. Residents can also find information on how to report illegal dumping eith locally or anonymously through the state "1-888-NODUMPS" hotline. A trash brochure outlining the county ordinance and the state statutes regarding open burning, littering and the punishment for such crimes was made available to residents who were found to be in violation of the county's illegal dumping, illegal burning, or littering ordinances. The brochures also included a Henderson County Illegal Dump and Solid Waste Hotline number to report illegal dumping, littering or to get more information about haulers. The SWC and Code Enforcement Officer helped educate individuals on private property on solid waste ordinances.

ENFORCEMENT: Henderson County Fiscal Court continued to use undercover surveillance cameras in illegal dump enforcement. A trash brochure outlining the county ordinance and the state statutes regarding open burning, littering and the punishment was made available to residents who were found to be in violation the county's illegal dumping, illegal burning, or littering ordinances. The brochures also included a Henderson County Illegal Dump and Solid Waste Hotline number to report illegal dumping, littering or to get more information about haulers.

SITING: Siting of landfills and other zoning issues are discussed monthly during regular Board of Zoning public meetings.

Educational Activity:

COLLECTION: The Business Office Paper Recycling Program area has expanded. The number of participants continues to increase and tonnages are up by ove 28 tons from the previous year.
May 15 thru May 17: The second annual Medication Disposal Program "Drug Toss" held at six locations throughout Louisville Metro. This was a partnership witl AARP, KIPDA, TRIAD, and the Metro Police Narcotics Division. It promoted proper disposal of expired or unused medication. 381 pounds of medications were collected and destroyed and 80 pounds of empty containers were recycled.

DISPOSAL: March thru September: Each year, through a partnership with Louisville Metro's Air Pollution Control District, gas-powered lawn mowers and other equipment are recycled and a rebate is provided on electric-powered equipment. The Waste Reduction Center accepts the items and provides the rebate. In 200 14 tons were recycled.

Special Events:

Christmas Tree Recycling
Commonwealth Cleanup Week
Junk Drop Off & Recycling
Tire Amnesty

SW Coordinator Keith Hackett Full-time

April 15 and October 15 : Began the semi-annual free junk drop-off days, which take place every spring and fall. Suburban residents who do not have regular jun collection are the primary targets but the events are open to all Metro residents. The event is held at the Waste Management Outer Loop Landfill, which co-sponsors the events, and any recyclable items are segregated. Tonnages for both events were 679 tons landfilled and 52 tons recycled.
December: Produced and mailed the 2008 Project Pickup quarterly junk schedules to all households in the Urban Services District (formerly the City of Louisville limits.) The USD is divided into 12 areas and the corresponding brochures are sent to the specific areas.

RECYCLING/REDUCTION: March 26 and October 21: Began the semi-annual old telephone book recycling collection to coincide with the issuance of the new white pages and yellow pages. Businesses and residents were encouraged to recycle their books by placing them in special containers at two locations – one in the suburban area and one in the downtown area. Tonnage of telephone books recycled for these two events was 10.1 tons. This is a partnership with Inland Service Corporation, Kroger, and Waste Management of Kentucky.
April: Exhibited at Earth Day at the Zoo, highlighting recycling activities as well as providing brochures and giveaways to increase awareness to the services provided by the division.
April 18: Mayor announces expansion of electronics recycling program (CyberCycle), which will now accept televisions. The CyberCycle program recycles used electronic equipment such as computers, printers, VCRs and DVD players, game systems and televisions. Tonnage for 2007 was 206.95.
June 22 – July 8: 2007 Senior Games provided recycling containers and recycling stands for co-mingled and roll-offs for the collection of co-mingled and cardboard capturing over 3.5 tons of recyclable material (plastics, paper programs and cardboard).
July 11: Louisville Metro continues to expand non-staffed recycling drop-off locations in suburban areas. This brings the number of non-staffed centers to 13 wit a total of 18 recycling centers including 5 staffed locations.
August 26: Ford Ironman Competition recycling containers and roll-offs were provided capturing 3.35 tons of recyclable materials (plastics and cardboard).
September 8: Third annual free document shredding event was held at the Louisville Zoo. Residents and businesses could watch their sensitive documents bein shredded and learn how to protect themselves against identity theft. Shred-It donated its services for the event and Metro Police were on hand to provide tips or how to combat identity theft. This event resulted in 18.02 tons being recycled.
October: Partnered with Brightside, the local Keep America Beautiful affiliate; participated in the U.S. Conference of Mayors and Novelis Corporation Cans for Cash contest to bring awareness to aluminum can recycling. This is the third year Louisville Metro has participated in the campaign and has won the marketing and education campaign both years in the highest population class. Louisville received a $5,000 cash prize and a $2,500 award to Brightside, our local Keep America Beautiful affiliate.
December – January: Christmas tree recycling was held at four locations throughout Louisville Metro. This resulted in 8.23 tons of mulch being produced for use by the public and Louisville Metro's Parks and Brightside.

ANTI-LITTERING: Eco-Drama: Cost $60,000. Eco-Drama, free of charge to all Louisville third grade classrooms, is an environmental education program coordinated in partnership with Stage One. Eco-Drama provides students and educators with an active approach to exploring environmental issues with drama-based instructional strategies. Since 2001, the program has reached over 16,733 students, over 700 teachers, and completed 75,298 hours of instruction.
Fred Wiche Award: Cost: $12,000. Mayor Abramson, Brightside and the Wiche family honor individuals, groups and schools who exemplify Fred Wiche's commitment to preserve and improve the environment. Fred Wiche was Louisville's longtime television and radio garden expert. He gave his support and wisdom to Brightside's mission to keep Louisville clean, green and environmentally aware. Ideal candidates for the awards include teachers, garden clubs, gardeners, environmentalists, neighborhood associations and schools who share the late Mr. Wiche's sense of environmental stewardship. Since 1999, the program has awarded 17 schools with cash awards and honored 9 adult winners.
Keep it Clean Louisville High School Grant: Cost: Approximately $9,000. Brightside offers cash grants to high schools participating in the annual Keep It Clean Louisville initiative for creating campus anti-litter campaigns. The top three performing high schools in Jefferson County earn additional cash incentives. One student will also receive a cash prize for taking a leadership role in campus anti-litter projects. Since the program's pilot year in 2005, the number of schools has continued to increase to more than 24 high schools which are participating in the program.
Youth Summit: Cost: Approximately $9,000. Youth Summit is an interactive environmental workshop for area students in grades 4 -12. Held in the spring and fa of each year, the primary goal is to empower students to examine their personal choices and to address ways that each student can make small changes in their daily living that will result in improved health and environmental impact in Louisville. Youth Summit is hosted by the Partnership for a Green City, a consortium including Brightside, Jefferson County Public Schools, Louisville Metro and the University of Louisville. Since 2006 the program has reached over 405 students and over 107 teachers.
Summer camp partnership with Metro Parks:
Brightside delivers an environmental program to all Metro Parks Summer Camp sites as well as community based summer camp programs. These environmenta presentations are free of charge to community based summer camp programs.

ANTI-DUMPING: Many of the programs discussed in the anti-littering section have segments on the effects of dumping and general land stewardship.

ENFORCEMENT: None reported.

SITING: None reported.

COLLECTION: Apple Valley Sanitation has prepared a slide presentation to present to elementary students, in cooperation with the solid waste coordinator, that relates to various areas of solid waste.
Tours of Apple Valley Sanitation are available upon request to any class or school group. Solid Waste Coordinator published newspaper articles in cooperation with "The Paintsville Herald" relating to solid waste management. Public service announcements by WSIP (local radio) relating to various solid waste issues. Solid Waste Coordinator contacted each elementary school in Johnson County and established an agreement to be available for classroom presentations.

DISPOSAL: Slide presentation described in collection section. Tour of Apple Valley Sanitation described in collection section. Newspaper articles described in collection section. Public service announcements by WSIP described in collection section. School visits described in collection section.

RECYCLING/REDUCTION: Slide presentation described in collection section. Tour of Apple Valley Sanitation described in collection section. Newspaper articles described in collection section. School visits described in collection section.

ANTI-LITTERING: The solid waste coordinator has prepared a window display with solid waste literature, and automobile litter bags are available to the public upon request.

ANTI-DUMPING: The Johnson County Fiscal Court has purchased signs which state "No Dumping-Video Camera Enforced" to be placed at illegal dumps to warn the residents of Johnson County that they may be monitored. Newspaper articles described in collection section. Public service announcements by WSIP described in collection section. School visits described in collection section.

ENFORCEMENT: No dumping signs described in anti-dumping section. Newspaper articles described in collection section. Schools visits described in collection section. Johnson County Conservation Field Day listed in anti-dumping section.

Educational Activity:

COLLECTION: Newspaper, radio and PRIDE education used to promote the Commonwealth Cleanup Week and PRIDE cleanups and to promote the use of the Knott County Transfer station. We also started in June to advertise a bulk material pick up by Knott County Works Program, free to all residents current on their solid waste billing.

DISPOSAL: We used the media above to encourage our residents to use the Knott County Transfer Station for free disposal of bulky items.

RECYCLING/REDUCTION: Newspaper and Carr Creek Elementary School PRIDE Club. Promoted the free disposal of used oil at the Road Department and starte a recycling program at the Carr Creek Elementary School through their PRIDE Club. Encouraged the disposal of white goods at the Knott County Transfer Statior

ANTI-LITTERING: Media above was used to publish the efforts of the litter abatement program and to recruit volunteers for the spring cleanups. We also recruite non-profit groups to pick up litter for $80/mile with a three mile limit.

ANTI-DUMPING: Newspaper, Radio and "Someone is Watching You" signs were used to promote the "Someone Is Watching You" program, which encourages people to report illegal dumpers. We also monitor and locate signs at the remote areas to discourage dumping.

ENFORCEMENT: Newspaper, letters of violation and court actions for non-compliance. Sent letters of non-compliance to all violators and summoned to court the ones that failed to respond to the letters. The newspaper reports the court actions weekly.

SITING: Furnish a copy of the Knott County Solid Waste Ordinance Siting section upon request.

Litter Costs / Litter Bags / Miles of Litter Cleaned

Litter Costs	Litter Bags	Miles of Litter Cleaned
$26,966.99	3,013	802

Educational Activity:

COLLECTION: Household collection is addressed frequently in news articles as well as information distributed at the annual Expo in March, and during Lincoln Days in October at booths. Changes in collection are publicized in the Larue Herald News as needed.

DISPOSAL: Proper disposal is addressed during Commonwealth Cleanup Week and fall cleanup. Several schools have participated in Worm Composting with th SWC. Additionally the SWC taught four 8th grade science classes the many alternatives to solid waste disposal including recycling, composting, beneficial reus (companies that can reuse other business waste for product), methane recovery, leachate reuse, reuse of tires for roads, crumb rubber, daily cover an as an alternate fuel/electricity, etc.

RECYCLING/REDUCTION: SWC writes articles, visits schools and civic organizations to discuss recycling, what is recyclable, how to prepare for its destination and reuse for new products. Recycling is done during CCW and Fall Cleanup, and Rinse and Return program.

ANTI-LITTERING: All littering cases are put in the news and the outcomes in court, additionally SWC speaks about litter in schools, and in articles in newspaper. Brochures are handed out annually from our booth for Lincoln Days and EXPO. Litter Crews are out and visible on a daily basis.

Special Events:

Commonwealth Cleanup Week / Spring Cleanup

Fall Recycling Event

SW Coordinator Jill Gray Part-time

ANTI-DUMPING: SWC designed an open dump brochure, writes articles, and participates in CCW with cleanup activities all that week. Dump cleanup work is published in the paper as well as court news regarding all enforcement of dumpers.

ENFORCEMENT: All enforcement is documented in our local paper with pictures when possible. SWC regularly visits problem areas and is visible to public. Articles are written often regarding legal ways to dispose of waste to deter litterers and dumpers. SWC has received her ORI from the State Police to assist with being able to issue citations herself.

SITING: Our P&Z was challenged when someone recently attempted to place a recycling-type holding area in our county. With our current laws, the person has thus far been unsuccessful in that attempt to start the business here. Much has been in the paper regarding this issue.

Litter Costs	Litter Bags	Miles of Litter Cleaned
$28,101.17	4,026	116

Educational Activity:

COLLECTION: The Fiscal Court works in conjunction with PRIDE, Leslie County Clean Community Board, and Soil Conservation District to educate the public about pickup schedules, illegal dumping and littering. Ad in newspaper on requirements for mandatory garbage collection and how to be in compliance.

DISPOSAL: PRIDE cleanup competition was featured in the newspaper with pictures and associated articles with the volunteer effort to clean up and properly dispose of waste.

RECYCLING/REDUCTION: Leslie County Conservation District advertised and coordinated an Appliance Buy Back Program.

ANTI-LITTERING: Solid Waste Coordinator worked with schools, educating students about the effects of littering.

ANTI-DUMPING: "Under Surveillance" signs are posted to discourage illegal dumping.

ENFORCEMENT: Placed information in newspaper to attract new signups. Send notices after 30 days summons are issued to violators.

SITING: None reported.

Litter Costs / Litter Bags / Miles of Litter Cleaned

Litter Costs	Litter Bags	Miles of Litter Cleaned
$31,981.92	10,268	891

Educational Activity:

COLLECTION: Permit haulers required to quarterly advertise services. Articles in newspaper and radio on Fiscal Court's decisions on management of waste. Solid Waste Advisory Board meetings. Free pickup of appliances for seniors is advertised. Available haulers listed in newspaper. Free disposal of bulky items advertised during Commonwealth Cleanup Week.

DISPOSAL: Contacted residents using burn barrels and suggested that they dispose of them legally.

RECYCLING/REDUCTION: Advertised availability of recycle center for white goods and other items. Participated in Tire Amnesty program. Applied for and obtained recycling grant. Expanded recycling opportunities in the county and initiated recycling at schools. Established a website to inform public of recycling opportunities. Made presentations at schools, Extension offices and at businesses.

ANTI-LITTERING: Anti-litter bags handed out during CCW and through local county offices. Applied for and received litter grant. Participated in Adopt-A-Highway and Ohio River Sweep.

Special Events:

Commonwealth Cleanup Week
Ohio River Sweep
Tire Amnesty
White Goods Collection

SW Coordinator John Teager Full-time

ANTI-DUMPING: Court decisions posted in newspaper for those convicted of illegal disposal. Applied for open dump grants. Presentations to local organizations on effects of dumping.

ENFORCEMENT: Pushed to increase compliance with mandatory collection ordinance with violations issued to non-participating residents. Follow up with many violators to ensure compliance with all county solid waste ordinances. Meetings with local and state law enforcement, County Attorney, and District Judge.

SITING: None reported.

COLLECTION: Set up exhibits and gave presentations to farmers at the Farm Lenders Day and the annual Farm Bureau meeting. Spoke to Crab Orchard and Hustonville 3rd and 4th graders on environmental education issues including garbage collection. Produced newspaper articles emphasizing the importance of increasing garbage collection participation.

DISPOSAL: Spoke to Farm Bureau and Farm Lenders regarding disposal issues.

RECYCLING/REDUCTION: Gave tours and showed recycling video to 200 students and teachers. Spoke to 260 students and teachers at local schools on recycling. Spoke to 200 Farm Bureau members and 100 farmers at the Farm Lenders Field Day on recycling pesticide containers.

ANTI-LITTERING: Spoke to the Farm Bureau, farmers, students, teachers on litter abatement solutions. Solid waste coordinator documented that 1,256 volunteer picked up 3,328 bags of litter on 246 miles of roadside in 2007.

ANTI-DUMPING: Spoke to the Farm Bureau, farmers, students, teachers on the problems associated with illegal dumping. The County Road Dept. cleaned severa small dumps in 2007.

ENFORCEMENT: News articles highlighting the enforcement efforts of the judge executive and county attorney were published. The county hired a nuisance officer to educate the public on public nuisance and solid waste management violations.

SITING: None reported.

SW Coordinator Debbie Nelson Full-time

COLLECTION: Radio announcements notifying of holiday collection schedules, advertised dates and times of fiscal court meetings related to solid waste management.

DISPOSAL: Free radio spots on Saturdays advertising dump dates and hours. Announcements at Fiscal Court meetings regarding free dumpster and the City of Russellville and the county dumpsters at the road departments. Availability of dumpsters and their locations was advertised in local news paper.

RECYCLING/REDUCTION: Radio advertisement regarding meetings and dates. Assisted Russellville High School Science Club start recycling program. Recycling education provided by SWC for 5th grade classes sponsored by the USDA soil conservation office. Recycling education provided by SWC for Wal-Mart employee and they in turn held a week long recycle campaign to educate customers. Manned education booth was set up during annual Tobacco and Heritage Festival.

ANTI-LITTERING: Manned education booth was set up during annual Tobacco and Heritage Festival. Held the first semi-annual "Make a Difference Day in Logan County" to encourage litter pick up (month long campaign). Month long Litter education photo contest advertised on local radio station and at booth in Logan County Court Clerks Office, $50 award given to winner. SWC used personal funds to provide ashtrays to people smoking on the streets and at entrance of Sheriff's office. Worked with Wal-Mart employees and the Kentucky Adopt-A-Highway program to encourage reusable cloth shopping bags instead of plastic bags.

ANTI-DUMPING: Illegal dumping and burning education provided by SWC for 5th grade classes sponsored by the USDA soil conservation office. SWC discussed illegal dump issues and upcoming cleanup opportunities such as Commonwealth Cleanup Week at Fiscal Court meetings. Manned education booth was set up during annual Tobacco and Heritage Festival.

ENFORCEMENT: Enforcement issues discussed as part of other education programs in schools and public events.

SITING: None reported.

MADISON
Continued

SW Coordinator (Acting) Shelby Jones Full-time

COLLECTION: Wrote newspaper articles for the Richmond Register-EKU Progress on garbage collection and disposal options, litter cleanup activities, recycling and household hazardous waste collection.

DISPOSAL: Solid Waste Department prepared slides outlining disposal options for the newly developed Madison County Government TV Station and updated the county web site with the same information. Solid Waste Coordinator volunteered at Bluegrass PRIDE to help get paint solidification crystals ready for distributior Solid Waste Department had a booth at the Madison County Safety Day event with educational literature on household hazardous waste (HHW), waste tires and dump cleanup assistance.

RECYCLING/REDUCTION: Advertised cell phone and electronics recycling program on county government TV station and web site. Collaborated with the Richmond Recycling Center to educate elementary science classes on recycling concepts.

ANTI LITTERING: Planned and held KY River Sweep at Fort Boonesboro State Resort Park with Clark County. Conducted interviews with Channel 27 and 36, and had newspaper ads in Richmond and Berea. Conducted interviews with Wallingford Broadcasting Stations for coverage of the event. Worked with Chamber of Commerce on Pops in the Park committee for Litter-Free Event at White Hall State Resort Park. Worked with State Road Department and Adopt-a-Highway program to aid county results, and assign new roads. Oversee county and city Adopt-A-Road Programs.

ANTI DUMPING: Cleaned a large dump and wrote a newspaper article about the problem of illegal disposal. Placed "No Dumping" signs at problem dumping areas to discourage recurrence.

ENFORCEMENT: The county enforces solid waste ordinances and convictions are published in the local newspaper.

SITING: None reported.

Litter Costs / Litter Bags / Miles of Litter Cleaned

Litter Costs	Litter Bags	Miles of Litter Cleaned
$22,998.43	419	830

Educational Activity:

COLLECTION: A newly updated website details locations available for recycling and solid waste disposal including bulky items, white goods, paint, and tires. Residents can email questions to the Coordinator. Household hazardous waste disposal tips are also included. The Five Year Plan Update was advertised and accepted.

DISPOSAL: Updated brochures are distributed that outlined recycling drop-off locations as well as solid waste and bulky item drop off locations and hours of operation. Phone numbers were included as well as information on how to report illegal dumping, how to prepare recyclables for drop-off and what can be accepted at each location. The SWC conducted radio programs to promote Commonwealth Cleanup Week, Tire Amnesty.

RECYCLING/REDUCTION: Brochures outlining recycling and solid waste opportunities were distributed and radio advertising educates the public. The brochur indicated can be recycled, how to prepare it and where to take it if not picked up at residences. Two Rinse and Return events were advertised and conducted. "Wheels for the World" event collected wheelchairs and ambulatory aids. "Art of Recycling" contest drew artists from the Tri-State area to create art with recycle material. Advertising for these programs were in the local newspaper, on local radio and TV stations. Mercury and e-scrap collection programs were advertised and conducted. Educational flyers were distributed at the McLean County Mobile Recycling unit that moved weekly around the county.

ANTI-LITTERING: The City of Sacramento conducted a community cleanup where residents could place bulky waste on the curb for free pickup. Livermore Greei River Day Cleanup was advertised and sponsored by Sierra Club and the Road Department. Tri-County Alliance and SWC were interviewed on radio and TV to explain why dumping and littering harms the environment and enforcement options. Commonwealth Cleanup Week / Tire Amnesty. Articles and pictures appeared in the newspaper. Road crews picked up litter along 300 miles of public roadways.

Special Events:

Commonwealth Cleanup Week
Electronic and Mercury Recycling
Rinse and Return
River Sweeo at Livermore

SW Coordinator Nancy Tharp Part-time

ANTI-DUMPING: Commonwealth Cleanup Week was promoted for free disposal for illegally dumped tires. A website link to the Kentucky Division of Waste Management details what to do with hazardous waste. Residents can also find information on how to report illegal dumping either locally or anonymously through the state "1-888-NODUMPS" hotline.

ENFORCEMENT: The county attorney, Fiscal Court and Sheriff reported and enforced illegal dumping laws. Division of Air brochures were distributed to households caught illegally dumping / burning. News articles were published that concerned 'no burn' ordinances.

SITING: None reported.

$44,969.53	5,058	700

Educational Activity:

COLLECTION: Gossett's Garbage (monthly newspaper article) and broadcasts of WMMG Radio informed the public about how solid waste removal would be handled in bad weather, holiday schedules and general pick-up information.

DISPOSAL: Both increases in disposal costs and the existing landfill contract with Rumpke were discussed during 2007 at meetings of the Meade County Solid Waste & Recycle Advisory Committee as well as Meade County Fiscal Court Meetings.

RECYCLING/REDUCTION: Employees operated a fair booth with a recycle theme in July 2007. Recycle pamphlets were distributed to adults and recycle themed coloring books and crayons were passed out to children.

Special Events:

Commonwealth Cleanup Week

SW Coordinator Mark Gossett Full-time

ANTI-LITTERING: Anti-littering education took place through Gossett's Garbage where readers were asked to stop littering along Meade County's roadsides and were encouraged to help beautify our county by picking up litter along roads near their homes.

ANTI-DUMPING: Instructions for reporting illegal dumping are outlined on Meade County Solid Waste quarterly billing cards. Anti-dumping education also takes place through Gossett's Garbage.

ENFORCEMENT: Education about the enforcement of illegal dumping has taken place through Gossett's Garbage.

SITING: Education takes place during Planning and Zoning Commission and Fiscal Court meetings. This is a result of businesses and individuals applying for permits to bury debris through Fiscal Court and the P&Z Commission.

Educational Activity:

COLLECTION: Newspaper articles outlining changes to garbage collection service. It is mandatory for households to use the municipally owned Menifee County garbage collection service. Commercial entities may use dumpsters if they provide receipts for landfill disposal.

DISPOSAL: Newspaper articles advertising the location of dumpsters for free disposal during cleanup events.

RECYCLING/REDUCTION: Tim Hacker (Administrative Assistant of Menifee County School District) focuses on recycling in the schools.

ANTI-LITTERING: PRIDE Coordinator spoke to local groups including the boy scouts about the importance of a litter free community and conservation of resources.

ANTI-DUMPING: The Menifee Solid Waste crew and county workers are requested to report illegal dump sites to the solid waste coordinator. The public is encouraged to report dumping to the county representatives.

ENFORCEMENT: Local law enforcement, state police, and the forestry service are encouraged to enforce and publicize enforcement actions.

SITING: None reported.

Yard Waste Tons Collected

97.00

Litter Costs	Litter Bags	Miles of Litter Cleaned
$50,569.24	2,533	468

Educational Activity:

COLLECTION: Trash haulers advertise collection services via newspaper ads and county emphasizes the importance of participation. Radio PSAs and newspap articles were produced including information on garbage collection, Spring/Fall cleanups, paint collection and Waste Tire Amnesty.

DISPOSAL: County emphasizes proper disposal through PSAs. Public education campaigns were conducted on proper disposal methods utilizing web site, signs, posters, pamphlets and newspaper articles. Solid waste coordinator distributed paint solidification crystals provided by PRIDE.

RECYCLING/REDUCTION: Solid Waste Coordinator and county government work with public schools and factories on increasing recycling and waste reduction

Special Events:

Herrington Lake Conservation League Cleanups
Mercer/Boyle/Lincoln E-scrap Collection
River Sweep

SW Coordinator Norman L. Jennings Full-time

through direct contact with students and teachers, web site postings and radio/newspaper PSAs. Solid Waste Coordinator worked with extension service, 4-H, Boy/Girl Scouts and several church groups on recycling and reduction goals and participated in earth day activities.

ANTI-LITTERING: Posted anti-littering signs at fast food drive-through windows. Used PSAs via radio and newspaper articles to discourage littering. Distributed anti-littering brochures at the recycling center.

ANTI-DUMPING: Used the local media to advise the local citizens on the cost of dumping and the effects on tourism. Used radio PSAs and newspaper articles to promote River Sweep, Commonwealth Cleanup Week, and Herrington Lake Conservation League cleanups.

ENFORCEMENT: Part-time nuisance investigator for Harrodsburg and solid waste coordinator maintain a high presence in the county to discourage illegal waste practices.

SITING: Developed a procedure in which planning and zoning must approve solid waste facility sitings before a permit is issued.

Litter Costs	Litter Bags	Miles of Litter Cleaned
$29,168.27	648	118

Educational Activity:

COLLECTION: Garbage collection and other environmental topics were incorporated into the curriculum of Morgan County elementary, middle and high school classes. All classes discussed the 3-R's and litter/illegal disposal prevention.

DISPOSAL: Proper disposal and other environmental topics were incorporated into the curriculum of Morgan County elementary, middle and high school classes

RECYCLING/REDUCTION: Students worked in our green house using recycled water bottles for planting vegetable and flower seeds. On December 6 & 7, 2007, the Morgan County 4th & 5th graders participated in an environmental day camp taught by students from Morgan County High School. Recycling and a preservin a clean environment were emphasized.

ANTI-LITTERING: The negative effects of litter were discussed as part of the environmental education incorporated into Morgan County schools. Students helpe pick up litter around the school grounds.

Special Events:

Fall Roadside Cleanup

Spring Roadside Cleanup

SW Coordinator Linda Bradley Part-time

ANTI-DUMPING: Students helped clean a stream by removing debris, garbage and tires, then discussed the effect that this has on our fish and wildlife. K throug 2nd grade students worked in their environmental coloring books and discussed our environment.

ENFORCEMENT: Judge Executive contacts individuals who are violating solid waste laws and outlines remedial measures needed to correct the problem.

SITING: None reported.

NKSWMA - January thru December (Documentation found in Appendix)
Boone County SWC provided monthly updates to the NKSWMA Governing Body regarding education and all NKSWMA events
Coordinated monthly to bi-monthly meetings with the Solid Waste Coordinators of Kenton and Campbell Counties
Newspaper Column: March through December Boone provided columns for use in the NKSWMA & on NKSWMA webpage (please see column titles under Boone County education)
NKSWMA Website: www.boonecountyky.org/nkswma.htm operated and updated regularly by Boone County
Bi-Monthly Meetings for the NKSWMA Technical Advisory Committee (Boone SWC, Recording Secretary)
NKSWMA Resource Guide distributed to citizens at various exhibits, mail outs, and events conducted by Boone, Campbell, & Kenton Counties
Monthly to bi-monthly meetings of the NK Household Hazardous Waste Action Coalition (Education and awareness campaign) – activities and documentation found in education appendix of the Annual Report)
"The Interchange" – quarterly publication for area businesses to participate in waste exchanges among companies in Northern Kentucky and Great Cincinnati
"Landscapes" Conservation District quarterly newsletter
Recycling information for each NKSWMA county listed in Cincinnati Bell Yellow Pages' 2007 Directory Recycling Program
NKSWMA Computer Recycling Event – sent PSA and flyers, cable show, website, etc.
NKSWMA Mercury Collection Event – sent PSA and flyers, cable show, website, etc.
Trash TV PSA– cable show for NKSWMA created and hosted by Becky Haltermon; shows feature businesses, schools, clubs, solid waste/environmental program and other special events. The program airs Tuesday and Thursdays on government access Channel 15 [copies of shows are available upon request (DVDs)]
PSA: Spring Cleanup events in Boone, Kenton & Campbell Counties
PSA: Fall Cleanup events in Boone, Kenton & Campbell Counties
Continuous planning of the Northern Kentucky Household Hazardous Waste Community Outreach Initiative
America Recycles Day – PSA and event postings; Boone encouraged County employees to buy recycled and recycle office paper;
"Trim Your Holiday Waste-line" for NKSWMA Webpage

Additional Education and Outreach performed by Boone County (Documentation found in Appendix):
Year-Long Programs:
Newspaper Column January thru December (column also appeared on Boone County webpage & was sent to each of the Cities):
January 2007: "A new start to doing my part for environment"
February 2007: "Tree huggers aren't so kooky after all"
March 2007: "Each of us leaves an environmental footprint"
April 2007: "Environmental vegetarianism just makes sense"
May 2007: "Eco-geeks are finally cool, fabulously hip people"
June 2007: "Planet has fans"
July 2007: "Love the planet, love the US"
August 2007: "Recycling good for relationships"
September 2007: "Questions as important as answers"
October 2007: "It's not (always) easy being green; questions OK"
November 2007: "Taking a stand against mismanaged trash"
December 2007: "Reduce, reuse, regift?"
Blog updated monthly, starting in May 2007
Chaired bi-monthly meetings for the Litter Abatement / Pride Posse Committee
Distributed anti-litter brochures, anti-cigarette litter brochures, anti-garbage mismanagement brochures and "How to Get Rid of It" Guides

January
"What's Happening in Boone County" Winter/Spring 2007 Edition – 40,000 publications send to Boone County residents, page 20
"Landscapes" January-February 2007 Edition
Flyer: 2007 Directory Recycling Program – Information about Boone County's recycling program was distributed with every Cincinnati Bell Yellow Pages director in Northern Kentucky

Completed Phase 1 of Recreation Trails Fund Grant on Doe Run Nature Trail (Parks built 4 bridges spanning creeks that drain into Doe Run Lake and BSA Eagle Scouts have completed improvements on 2 trail sections)

Additional Education and Outreach performed by the Boone, Campbell & Kenton Conservation District – documentation available upon request
Education and Outreach Boone
Your Place in a Growing Community - The Boone, Campbell and Kenton County Conservation Districts jointly sponsored a series of workshops in January, February, March and April to look at resource planning on your property and why what you do on your land can have a huge impact in the neighborhood. Sessior included Beyond Landscaping; rain barrels and rain gardens; managing invasive species; issues and trends; and the condition of local waterways and watersheds. The last session took participants to Camp Michaels and Boone Woods Park to walk their watersheds. Over 20 people participated in the series. Guest speakers included Heather Mayfield with ORSANCO, Matt Whooten with Sanitation District #1, and Conservation District staff Mary Kathryn Dickerson and Mark Jacobs.
Big Bone Lick State Park Discovery Days - "Would Lewis and Clark have found me here" was the theme for the exhibit this year which featured common plants o the area and invited visitors to identify them and learn about their history. District programs were also highlighted. Over 500 people visited the booth during the festival. Board members and staff from the Boone, Campbell and Kenton Districts helped with the exhibit.
Board members hosted a booth at the Boone County 4-H and Utopia Fair. The booth featured Best Management Practices and native warm season grasses and other pasture improvement methods.

District board members and staff participated in the "Spring Fling" Arboretum Day in June at Central Park. The display featured native plants and information on how to rid your property of invasive, exotic plants.
Education Grants - The Boone County Conservation District has been awarding grants to county educational institutions since 1994. Grant applications are accepted from October through January each year. This year, Goodridge Elementary School received $941 for their Kentucky Heritage Garden and Greenhouse project.
Programs for Teachers - The district supports the NKU Environmental Education Alliance and the Environmental Education in No. Ky. Resource Guide is availabl through the District office.
Programs for Students - Mark Jacobs and Mary Kathryn Dickerson taught classes for over 300 individuals this year through the Sanitation District #1 Waterific program. Dickerson assisted the Boone County Cooperative Extension Service and Boone County Schools with a soils class for 5th grade students attending the overnight Environmental Camp at North Central 4-H Camp.
Writing and Art Contests – Kentucky's Soil – It's Worth Protecting was the topic for this school year's Conservation Contests. The theme focused on soil composition, its importance, and ways that all citizens can help protect, restore, and conserve Kentucky's soil. In Boone County, county and school winners received a certificate of achievement from The Courier Journal, and a Life in a Bucket of Soil book from the Conservation District. Teachers received a Life in a Bucket of Soil book from the conservation district. Students and teachers also received educational materials about soils. These included: Dig In – Hands On Soi Investigations, Amazing Soil Stories, Search for Soil, Soil Biology, and Conserving Soil. Twelve schools participated in the contests this year. This year there wer 221 entries in the Art Contest and 61 entries in the Writing Contest.
The World Beneath Your Feet - These workshops were held to promote the Writing and Art Contests and attracted over 20 teachers, parents and students to help them prepare for the contest. The workshops featured materials and activities about soils.
Newsletters - The quarterly newsletter, Landscapes, reaches over 2,500 Boone County households.
Web Site - The Conservation District web site is provided through the Boone County Fiscal Court at www.boonecountyky.org/bccd/default.aspx
Education and Outreach Campbell
Your Place in a Growing Community – see above
Urban Forestry Grants - The Campbell County Conservation District has been giving matching grants for Urban Forestry and Community
Beautification since 1993 to help cities and communities establish programs or develop projects to protect and conserve our natural resources. The project must be done on lands located in Campbell County that are owned, leased, or otherwise controlled by city, county, state, or federal government and must include funding or in-kind contributions in an amount equal to the grant request. This year three grants were awarded. The City of Melbourne received $900 for the Laton Avenue Street Beautification project, phase 3; the City of Newport received $1,300 for the Newport Downtown Renaissance District project; and the City of Bellevue received $1,300 to continue their program to plant street trees and remove invasive street tree species along Berry Street.
Education Grants - The Campbell County Conservation District has offered education grants since 1991 to assist schools in fostering learning about conservatio and our environment. Grant applications are accepted from October through January each year. This year three grants were awarded: Sonlight Ridge Academy received $250 to help with construction of an Aquatic and Botanical Garden Learning Center; Newport Middle School received $1,000 for their Environmental Education Initiative in partnership with Lafarge Gypsum of North America; and Sts. Peter and Paul received $500 for improvements to an outdoor learning center that was recently established at the school.
Workshops and Programs
• The district reached over 300 individuals this year through programs for schools and the Sanitation District #1 Waterific program.
• The district supports the NKU Environmental Education Alliance and the Environmental Education in No. Ky. Resource is available through the district office.
• Caitlin Jo Foltz, Michelle Marie Simon and Brittany Ann Peters were awarded scholarships through the Campbell County Conservation District.
• The Campbell County Conservation District supports the Kentucky Association of Conservation Districts Auxiliary Scholarship program through a donation of money. Items for the annual auction are donated by board members.
• Writing and Art Contests - "Kentucky's Soil – It's Worth Protecting" was the topic for this school year's Conservation Contests. In the Art Contest there were 24 entries from seven schools. This year in the Writing Contest, there were 155 entries written in five schools. County and school winners received a certificate of achievement from The Courier Journal, and from the Conservation District, a Compost Gin Card Game, or a Squirming in the Soil, depending on their grade level Teachers received a Life in a Bucket of Soil book from the Conservation District.
• The World Beneath Your Feet workshops sponsored to promote the Writing and Art Contests attracted over 20 teachers, parents and students to help them prepare for the contest. The workshops featured materials and activities about soils.
• Kathleen Kreimborg, St. Therese School, was the recipient of the District's teacher incentive award.
• Greg Rawe, Gubser Mill, was chosen as the Campbell County Conservation District Outstanding Cooperator.
• The quarterly newsletter, Landscapes, reaches over 1,800 Campbell County households.
• Board member Larry Varney maintains a web site for the District, at http://home.fuse.net/campbellcd
• Board members participated in the Alexandria Fair & Horse Show by purchasing a fair book advertisement with the theme, "From City to Country, Conservation Works," focusing on the Campbell County Farmland Study.
• Big Bone Lick State Park Discovery Days – please see above

Education and Outreach Kenton
Your Place in a Growing Community – please see above

Writing and Art Contests - Kentucky's Soil – It's Worth Protecting - This year there were 417 entries in the Art Contest and 342 entries in the Writing Contest.
The World Beneath Your Feet - These workshops were held to promote the Writing and Art Contests and attracted over 20 teachers, parents and students to help them prepare for the contest. The workshops featured materials and activities about soils.
Education Grants - The Kenton County Conservation District has been awarding grants to county educational institutions since 1989. This year, St. Augustine

SW Coordinator Mary Shinkle Full-time

School in Covington received $200 to purchase science books for their school library, and Holy Cross Elementary School received $200 for conservation materia
and magazines for their school library.
Programs for Teachers - The district supports the NKU Environmental Education Alliance and the Environmental Education in No. Ky. Resource
Guide is available through the District office.
Programs for Students - Mark Jacobs and Mary Kathryn Dickerson taught classes for over 300 individuals this year through the Sanitation District #1
Waterific program and Dickerson assisted Beechwood High School teacher Suzy Wera with a field trip for her seventh grade students at Highland Cemetery whe
they studied water and forests.
Kenton County Community Education – The Conservation District sponsored two programs this year. Board member Peggy Kelly led a hike and
program at Doe Run Lake and Mark Jacobs led a hike and program at Split Rock Conservation Park. Over 35 people participated in the programs.
Web Site - The Conservation District web site is provided through the Kenton County Fiscal Court at www.kentoncounty.org .
Newsletters - The quarterly newsletter, Landscapes, reaches 1,485 Kenton County households.

Additional Education and Outreach performed by the Sanitation District No. 1 (serving Boone, Campbell & Kenton Counties) – documentation available upon
request

Tours of District's Main Office & Public Service Park
Dedicated to those who enhance Northern Kentucky's quality of life through public service, Public Service Park is an example of the District's leadership in wate
pollution prevention practices, also known as best management practices (BMPs). The park is an aggressive approach to empower and educate the public on the
vital importance of protecting our waterways for future generations to come. Featuring storm water BMPs and cutting edge public educational programming,
Public Service Park is targeted at all audiences r

SW Coordinator Larry Morris Part-time

COLLECTION: Newspaper articles.

DISPOSAL: Newspaper articles explaining free Wednesdays for household garbage.

RECYCLING/REDUCTION: Three recycling centers, each interested in expanding its capabilities. Newspaper articles explain recycling activities can reduce illega dumping and litter.

ANTI-LITTERING: News article explaining that county residents can help by using free day at landfill. Posting of "Please Don't Litter" signs along roadways. SWC and DWM regional inspector give warnings. Handed out pens, pencils, litter bags, etc at events throughout the year.

ANTI-DUMPING: News article explaining that surveillance cameras are being used in our county along roadways. Posting of "No Dumping" signs along roadways. Patrols by SWC, time permitting.

ENFORCEMENT: Warnings from solid waste coordinator as well as help from the Bowling Green field office. Ohio County Sheriff and deputies are helping solid waste coordinator. On private property, landowners are required to clean up dumps when possible.

SITING: Section 5.1 of amended ordinance #94-9 - disposal in approved sites. Ordinance #95-11 dealing with license fee for solid waste landfill facilities locating in Ohio County.

Yard Waste Tons Collected

Zero

Litter Costs	Litter Bags	Miles of Litter Cleaned
$45,113.37	17,428	369

Educational Activity:

COLLECTION: Hauling companies are requested to advertise their services.
DISPOSAL: Central KY landfill, Haulers and government agencies encourage the public to properly dispose of their waste. Free disposal day on first Saturday of the month is advertised
RECYCLING/REDUCTION: Scott county and city school systems and government agencies encourage recycling through school curriculum, newspaper ads, and presentations.
ANTI-LITTERING: Jail crews are out picking up litter and their visibility is a deterrent to littering.
ANTI-DUMPING: Cost share programs and free dumping days are preventive measures taken by the county.
ENFORCEMENT: Newspaper and radio ads remind the public that discarding litter and illegal dumping are crimes with consequences.
SITING: Planning and Zoning meetings typically get newspaper coverage and this helps to educate the general public on this issue.

Educational Activity:

Special Events:

SW Coordinator STAN REAGAN Full-time

COLLECTION: Media resources used for education information and advertising. News releases, interviews for stories on-air and print; advertising on radio and newspaper. Door hangers or post-it notes distributed by franchisees to customers. Use of educational videos.

DISPOSAL: News releases & interviews directed to general public to inform of mandatory waste pickup ordinances and illegal dumping penalties. Proper set out times and collection standards promoted.

RECYCLING/REDUCTION: Reduction, Reuse and Recycle components included in all educational projects. News media used to promote coordinated programs. Drive to a Million recycling program continues and expand City of Bowling Green, area schools and private businesses.

ANTI-LITTERING: Proper Disposal of waste products addressed in all educational projects. The public was informed of the cost of removing litter and illegal dumps and of consequences of improper disposal. Use of media to inform people of criminal littering statute. Keep It Clean B.G.

ANTI-DUMPING: Worked with code enforcement boards, law enforcement agencies, schools and county attorney's office to issue warnings, notices and citations if needed. Continued to promote 1-888-NO-DUMPS hotline and Keep It Clean Bowling Green campaigns.

ENFORCEMENT: Proper disposal of waste products addressed in all education projects. Utilizing code enforcement process and its notices of violation to inform people of correct actions. Utilizing City of Bowling Green's Summer Stroll programs to disseminate information.

SITING: (Ordinance or procedure on placement of solid waste management facility within a county): City-County Planning Commission requires conditional use permit and sometimes a change in zoning designation for waste facilities. Informational literature distributed with applications. Using Office of Storm water Management to assist in communicating concerns.

SW Coordinator George Ann Palmer Part-time

Educational Activity:

COLLECTION: None reported.

DISPOSAL: Provided copies of annual franchisee holiday schedule.

RECYCLING/REDUCTION: Helped Toytomi develop TV commercials promoting recycling. With Keith Brock, Marion Co SWC, we developed a program with TGI KY to furnish us with their metal bins which were used to ship products to them from overseas. We will use as recycling containers throughout Marion & Washington Counties. Develop newspaper ad congratulating residents for recycling 1015 tons of waste.

ANTI-LITTERING: April 2007 we initiated anti-litter campaign by mailing letters to scout troops, churches and non profit groups county wide. Continued litter notices to identified litterers.

ANTI-DUMPING: Developed and had placed no dumping signs at recurring dumpsites on Bluegrass Road.

ENFORCEMENT: Continued 'report a litterer' and letters to litterers.

SITING: None reported.

COLLECTION: New color brochures outlined recycling drop-off locations in Webster County as well as solid waste drop off (compaction) locations and hours of operation. Phone numbers were included for questions, information on how to report illegal dumping, how to prepare recyclables for drop-off and what can be accepted at each location. The brochures also include private companies that accept recyclables from the public and solid waste services for county residents. Brochures were distributed throughout the schools and in the community. Solid waste information on household waste, bulky items and tires was provided in th brochures. Household hazardous waste disposal tips are included. The Five Year Plan was updated, advertised and passed.

DISPOSAL: An updated website www.tricountyrecycling.com details all locations available to the public in Webster County for recycling and solid waste disposa Residents can call or email specific questions to the SWC. Household hazardous waste disposal tips are included such as how to dispose of paint and medical sharps.

RECYCLING/REDUCTION: Webster City and County schools and District office continued the extensive school recycling program. Schools can now safely store plastics, newspaper, aluminum cans, steel cans, magazines and office paper for recycling by the Road Department. Webster County Road Department continued their aggressive cardboard recycling project which doubled the recycled amount from last year. The program weekly service provided cardboard recycling boxes to businesses and the cardboard was baled and trucked directly to the Weyerhaeuser Mill in Henderson. The newspapers covered recycling and solid waste issues as presented to the Webster County Fiscal Court. The advertised farm pesticide recycling program collected 1960 pounds during two drop-off days. Over 10 tons of glass was recycled and transported to the Henderson Recycling Facility where it was crushed and used in the nationally acclaimed glass roadbed construction project. The areas first electronics and mercury collection events was sponsored by Wal-mart, W Ky Energy and Ky Utilities and Tri-County Recycling Alliance. Webster County received a recycling grant from the state for $106,800 for education and equipment to enhance recycling efforts. There was "Art of Recycling" contest with much publicity. The first ever "Wheels for the World" recycling event collected wheelchairs, walkers, crutches and canes and distributed free food and recycling brochures. Recycling and convenience center location and hours and items collected were publicized through the local newspapers and brochures.

ANTI-LITTERING: The City of Sebree conducted a Community Cleanup in conjunction with Webster County Road Department. Residents could place bulky waste on the curb for free pickup by city sanitation workers. Trees and limbs were collected by City of Sebree sanitation crew. Street sweepers helped clean litter from city streets through out the year. Tri-County Recycling Alliance coordinator conducted several radio programs to promote the Commonwealth Cleanup Week and Tire Amnesty program where residents could register their dumps with the county and receive free disposal of illegally dumped tires. Presentations were conducted in the schools to educate students and staff of their recycling and solid waste options in Webster County. Litter cleanup events, organized by the City of Providence were conducted twice in 2007. Webster County Fiscal Court and Road Department conducted windshield surveys during Commonwealth Cleanup Week and collected all tires located on state and county right-of-way, covering over 500 miles of state and county roads. Volunteers registered for cleanup activities at the Webster County Road Department. Inmates from the local jail cleaned litter along public roads throughout the year.

ANTI-DUMPING: Residents can find information on how to report illegal dumping either locally or anonymously through the state "1-888-NODUMPS" hotline. All recycling and solid waste services are provided at no charge to county residents. Recycling and Solid Waste Coordinator conducted several radio and television interviews to explain illegal dumping harms the environment and what additional enforcement Webster County was going to take to prevent illegal dumping. County attorney continues to actively enforce and report illegal dumping laws.

ENFORCEMENT: Brochures from Division of Air Quality were distributed to individuals caught illegally dumping or burning waste. Articles appeared in the local newspapers which covers Webster County concerning the no-burn ordinances and State regulations concerning burning.

Educational Activity:

COLLECTION: The Woodford County Recycling Center (WCRC) provides information and fact sheets about all aspects of solid waste including garbage collection. Garbage collectors offer their services to all within the cities and county.

DISPOSAL: Appropriate disposal of waste is discussed at various events, and articles are published in the Woodford Sun newspaper.

RECYCLING/REDUCTION: The WCRC collects recyclables from six area schools, several businesses and households throughout the county. Recycling promoted at civic meetings, through newspaper articles and at school presentations.

Special Events:

America Recycles Day
Commonwealth Cleanup Week
River Sweep
Woodford County Safety Fair

SW Coordinator Wade Johnson Full-time

ANTI-LITTERING: County and city governments promote and participate in roadside cleanups. Events are promoted through radio PSAs and articles in the Woodford Sun. The WCRC promotes the importance of a clean community.

ANTI-DUMPING: The WCRC / transfer station accepts most materials removed from open dumps free of charge. Woodford Sun articles and radio PSAs encourage citizens to report illegal dumping and to participate in volunteer cleanup events.

ENFORCEMENT: The WCRC sends out 14 day compliance letters to property owners violating county solid waste ordinances. Most recipients correct the problem voluntarily.

SITING: Siting is addressed by Planning and Zoning regulations. Public notices are published in the Woodford Sun regarding solid waste related facilities.
